## **ENTREPRENEURS INTRODUCE 2FLARE INSTANT CHAI AND COFFEE**

*Husband and Wife Team Announce Chai and Coffee Product Line*

(Sterling, VA) — 2FLARE, stands for “To Feel Lively And Relaxed Every-time,” produces freshly spiced instant Chai and coffee with creamer already built in. 2FLARE’s product line has a major advantage over other coffee and tea products on the market. No sweeteners, fillers, or preservatives of any kind are added to any of its products. Available in regular and decaffeinated versions, they contain less than two gram of carbohydrates and less than 15 calories per serving. This delicious treat contains a mixture of spices that tantalizes your taste buds, calms the senses, and resets your soul.

The husband and wife team, Ron and Ester Spiegel, developed the product line in their home kitchen. Ester loves to cook and experimenting with new foods and spices. She created a mixture of spices she blended together to make aromatic instant Chai and coffee. Over the years, Ester and Ron served these delicious drinks to family and friends. With overwhelming positive feedback of their Chai and coffee, the couple decided to create 2FLARE and sell their creation to the public.

2FLARE’s products include:

- Chai Flow – Freshly spiced instant tea with creamer.
- D-Chai Flow - Freshly spiced instant decaffeinated tea with creamer.
- Coffee Flow - Freshly spiced instant coffee with creamer.
